RESPONSE TO GOVERNMENT’S MOTION FOR HEARING

Now Comes defendant, THOMAS G. HOBBS, through counsel, Stephen C. Williams, and for his response to the government’s motion for hearing (Doc. 802) states as follows:

Dr. Hobbs will be in attendance at his sentencing on September 22, 2023, and capable of participating. Of course, it is not ideal. But going forward with the hip replacement surgery on September 19th is the only way he can ensure that he will be able to get this needed medical treatment before reporting to prison. In seeking to reschedule the surgery, Dr. Hobbs was informed that if he rescheduled the available date of September 19th, it would be months before they would get him back in. The government is correct that the surgery involves a lengthy recovery of 12 weeks and Dr. Hobbs will be in the early stages of recovery. But Dr. Hobbs has been through this same surgery in May and was able to travel home and make follow up appointments during his recovery.

WHEREFORE, Defendant Thomas Hobbs prays that this Court DENY the government’s Motion for Hearing.

Respectfully Submitted,
